

Figure 3. Trend in grey seal pup production on Sable Island, 1962–1997, based on incomplete tagging (1962–1974), complete tagging (1976–1990) and aerial surveys (1989–1997) (error bars: approximate 95% confidence limits; curve: exponential fit to the 1976 through 1990 censuses, see text for equation).
